

Chakala Kalyan Kumar

kalyankumar0729@gmail.com | +91-9381973304 | Open to Remote Internships

PROFESSIONAL SUMMARY

Aspiring front-end web developer with hands-on project experience in HTML, CSS, and JavaScript, including DOM manipulation and REST API integration. Comfortable building responsive, interactive web applications with clean UI and validated forms. Seeking a remote internship to strengthen front-end skills and contribute to real-world web development projects.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (DOM manipulation, ES6, Fetch API)

Backend Basics: Python

Database: SQL

Tools & Concepts: Git basics, REST APIs, LocalStorage, Responsive Design, Form Validation

PROJECTS

Weather Forecast Web Application

HTML, CSS, JavaScript, WeatherAPI

- Built a responsive weather forecasting app that fetches live current conditions and a 5-day forecast from WeatherAPI using the Fetch API.
- Implemented geolocation-based weather lookup using the browser Geolocation API, alongside manual city search.
- Added input validation and error handling to gracefully manage invalid city names, empty inputs, and failed API calls.
- Dynamically rendered weather data and forecast cards through DOM manipulation for a smooth user experience.

Blog Website

HTML, CSS, JavaScript, LocalStorage

- Developed a blog management app supporting post creation, display, editing, and deletion.
- Implemented persistent data storage using LocalStorage so posts remain saved across browser sessions.
- Built dynamic blog post cards through DOM manipulation and event-driven updates.
- Added form validation to prevent empty submissions and improve overall usability.

TRAINING & CERTIFICATION

Python Programming Training Program

- Completed a self-paced training program covering Core Python, object-oriented programming, and data structures.
- Currently focusing on strengthening front-end fundamentals (HTML, CSS, JavaScript) before progressing to back-end frameworks.

Certification: Python — Council for Skills and Competencies (CSCI)

EDUCATION

B.Sc. Computers — Mother Theresa Degree College, Palamaner (2023 – 2026, Pursuing)

Intermediate (PCMC) — SEA College, Bangalore (2021 – 2023) — 73%

SSC — ZP High School (2020 – 2021) — 95%

LANGUAGES

Telugu (Native), English (Fluent), Hindi (Basic), Kannada (Basic)
